# Brand Guidelines

VERSION 1.0

# What ArusPay stands for.

Three values that shape every product decision, every support reply, every line of copy.

01

## Clarity

Every payment reconciled to the ringgit. No black boxes, no mystery fees, no end-of-term surprises.

02

## Reliability

Schools run on deadlines. ArusPay is the infrastructure that quietly doesn't miss one.

03

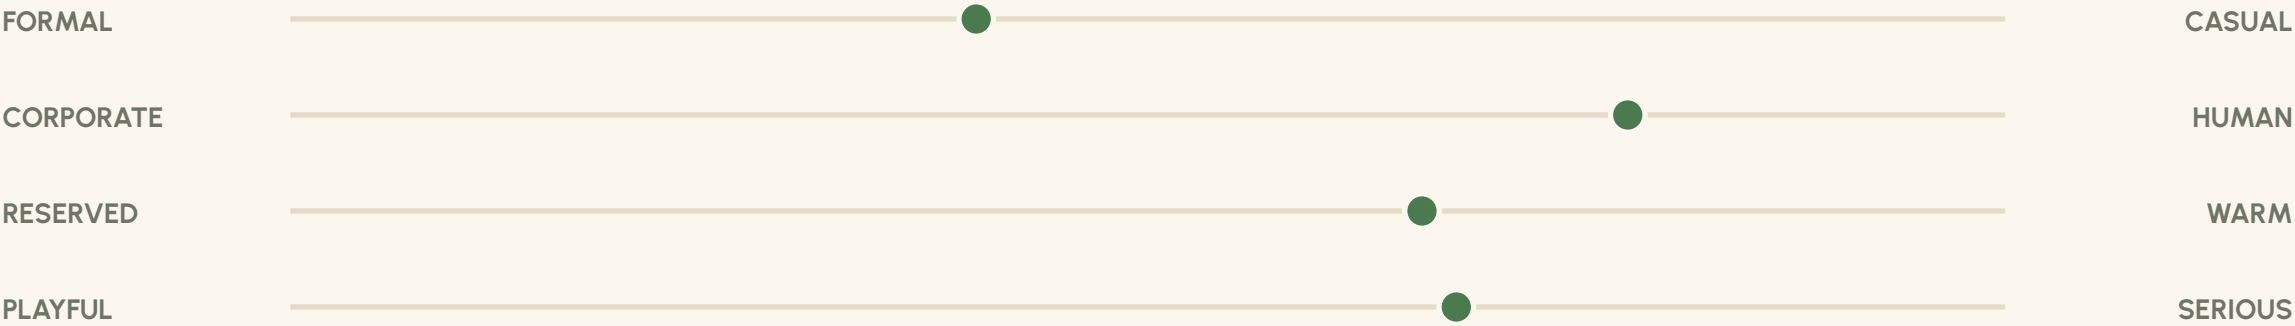

## Human Support

A real person behind every ticket — because a tuition problem can't wait on a chatbot.

01 — TONE OF VOICE

# How ArusPay sounds.

Warm enough to trust with a child's tuition, clear enough to satisfy a bursar's spreadsheet.
